All Registrations must be prepaid		total	

Registrations must be prepaid before processing.

Wild About Animals Day Camp is your children's backstage pass to learn about ALL of the animals we have at Pet World! By the end of the day, your children will be EXPERT animal handlers!

9:00-9:30am Drop Off, Sign In, Playtime

Kids gather in the Education Room and get signed in, put their stuff in their cubby, then proceed to Pet Playtime! Kids have optional stations with live animals including warm blooded fuzzies like bunnies, guinea pigs and birds!

9:30-10:30am Mammal Time!

We'll start our day learning about mammals! We'll spend this time getting to know some gerbils, hamsters, bunnies, chinchillas, guinea pigs, and ferrets! After our mammal lesson we will wash our hands and have a quick snack.

10:30-11:30am Feeding Time and Free Time

We'll split into 2 rotating groups for free time and feeding time! One group will feed the tortoises and fish while the other has free time with their animal of choice.

11:30am-12:30pm Story Time and LUNCH Time!

Before lunch we'll group up for a lesson about Hedgehogs. We'll read children's a book about them and maybe even get to bathe one! Then we'll wash up and eat lunch outside if the weather is nice. For lunch we have pizza delivered from a local pizza parlor, and discuss our plans for what additional pets we want to experience, what games we want to play, etc. Then we eat pizza!

12:30-2:00pm Birds and Reptiles!

After lunch we'll learn all about birds and reptiles! We'll learn how to handle, feed, and bathe them. Then we'll have a short free time so we can spend time with our favorite animals from the day!

2:00-3:00pm Fish Time!

For our fish lessons we'll head over to the Aquatic Lounge! We'll siphon tanks, touch some starfish, and learn about bettas. All campers will be offered a Betta Coupon after completing the Betta lesson. When the time is right for your family you can comeback and use your Betta Coupon.

3:00-4:00pm Snack Time and Free Time!

Around 3pm we'll gather up to talk about our day and eat a snack. Then we'll split up for one final free time before it's time to go home!

Additional helpful information about my child:

PERMISSION SLIP

I give my child, _____, permission to attend Pet World's Wild About Animals. He/she is in good health, able to walk and climb, and has no known allergies to any animals. I understand the potential risk of my child getting bitten while handling the animals during the program and will not hold Pet World responsible. I understand that I may cancel my registration in writing up to seven days before the program and receive a full refund less a \$25 cancellation fee. I accept that my registration is non-refundable once it is within seven days of the program. I grant Pet World the right to use any photos taken of my child during the program for promotional advertising and understand these photos to be the property of Pet World Inc., Lawrence, Kansas. I know that registrations are generally accepted on a first come, first served basis; however, Pet World may turn down a registration if they strongly feel a child is unwilling or unable to attend the program successfully, or the program is not in his/her best interest.
